25th Anniversary

We have produced some club merchandise to commemorate the club's 25th year so please order from Karen Mahoney before the end of the year. The colour is light blue as this was the original East Cornwall Harriers colour and the logo has been designed by Dan Nash.

Decisions as to how we are going to celebrate are yet to be made—we have several ideas so will let everybody know once details are finalised. Please check the web site for these – www.eastcornwallharriers.com

Thanks to everybody who helped at The Five Tors. Numbers were down this year due to a clash with the Tavy 13 and another race in Cornwall. However we did have 118 finishers and a lovely sunny day!
